

Edwin M. Lee  
Mayor

September Jarrett  
Director

Dear Early Childhood Partners:

On behalf of the Office of Early Care and Education (OECE), we are writing to invite you to a feedback session focused on how to improve San Francisco's system for financing early childhood services for children ages zero to five in centers and family child care homes; as well as how to simplify and focus related administrative reporting from providers and families. Please join us at one of two available sessions based on your preference:

**Session One: Thursday, August 25<sup>th</sup>, from 9:30 am – 11:30 pm**

First Five Training Room  
1390 Market Street, Suite 1125

OR

**Session Two: Thursday, September 1, from 6:00 – 8:00 pm**

First Five Training Room  
1390 Market Street, Suite 1125

Each session will include a brief presentation of early stage thinking about possible improvements to San Francisco's current system. The overview presentation will be followed by small discussion groups, designed to maximize the opportunity for discussion and your feedback. Providers at all levels of early childhood programs which interface with City funding and reporting are encouraged to attend.

Refreshments will be provided. Please RSVP to Susan Lu at [susan.lu@sfgov.org](mailto:susan.lu@sfgov.org) or 415-355-3672 so we can plan for your participation.

All our best,

September Jarrett  
Director  
OECE

Michele Rutherford  
Deputy Director  
OECE
