DEPARTMENT OF DISABILITY AND AGING SERVICES
MINUTES
Wednesday, March 17, 2021, 9:00 a.m. to 10:00 am
Remote Zoom Meeting**

Call to Order:

Co-chair Diane Lawrence called the meeting to order at 9:05am

Roll Call:

Present: Diane Lawrence, Margaret Graf, Allegra Fortunati

Absent: Commissioner Carrington, Bettye Hammond, Anne Warren, Commissioner Lum, Commissioner Bittner, Patti Spaniak

Staff: Cindy Kauffman

Approval of Agenda: No quorum. Unable to approve March 17, 2021 agenda. Item will be added to April agenda.

Approval of Minutes: No quorum. Unable to approve February 17, 2021minutes. Item will be moved to April agenda.

Legislative Reports: Staff reviewed new legislation that had been added to tracked items since the previous meeting. New legislation was prioritized into two sections. The first included items relevant to the Master Plan on Aging and DAS Advisory Committee. The second was all other new legislation. The Joint Legislative Committee discussed the first section and will discuss the remaining bills during the April meeting. Bills discussed are attached.

Staff provided a brief update on the Senate Budget Committee, Subcommittee #3 which met and reviewed aging issues, including C4A's budget requests for nutrition, ADRC, falls prevention, and AAA baseline. The Assembly Budget Subcommittee #1 is schedule to review aging issues later this month. For federal updates, staff informed committee that the American Rescue Plan was signed into law which included enhanced Medicaid funding for Home and Community Based Services (HCBS). A summary of the relevant items included in the plan will be sent to committee members.

California Senior Legislature: Prior to the meeting, Allegra shared bills that are being sponsored and/or supported by CSL. They were emailed to committee members and incorporated into the bills being tracked.

New Business: no new business.

Old Business: no old business.

ANNOUNCEMENTS: no announcements.

NEXT JOINT LEGISLATIVE COMMITTEE MEETING: Wednesday, April 21, 2021

Meeting was ADJOURNED at 10:00 am

<p>AB 123</p>	<p>Gonzalez</p>	<p>Paid Family Leave: Weekly Benefit Amount</p> <p>Existing law defines “weekly benefit amount” for purposes of both employee contributions and benefits under this program to mean the amount of weekly benefits available to qualifying disabled individuals pursuant to unemployment compensation disability law, calculated pursuant to specified formulas partly based on the applicable percentage of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, but not to exceed the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations.</p> <p>This bill would revise the formula for determining benefits available pursuant to the family temporary disability insurance program, for periods of disability commencing after January 1, 2022, by redefining the weekly benefit amount to be equal to 90% of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, divided by 13, but not exceeding the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations.</p> <p>By providing for the deposit of additional contributions in, and by authorizing an increase in disbursements from, the Unemployment Compensation Disability Fund, this bill would make an appropriation.</p>	<p>1/11/21 Referred to Com on Insurance</p> <p>1/11/21 Read first time</p> <p>12/19/21 From printer. AB 279	Muratsuchi	<p>Intermediate care facilities and skilled nursing facilities.</p> <p>(1)Existing law requires the State Department of Public Health to license, inspect, and regulate intermediate care facilities (ICF) and skilled nursing facilities (SNF). Existing law generally requires an ICF or SNF to comply with certain procedures and disclosures when transferring ownership or management of the facility, as specified. Existing law imposes criminal penalties on a person who violates the requirements imposed on these facilities. This bill would prohibit the owner of an ICF or SNF from ceasing to deliver or making significant changes to the nature of residential care services, or from transferring a resident to another facility, during any declared state of emergency relating to the coronavirus disease 2019 (COVID-19), except if the owner files for bankruptcy. The bill would require, upon termination of the same type of state of emergency, the owner of an ICF or SNF to issue a 6- month advance notice of any proposed sale or termination of the licensed operation of the facility to each resident before the sale or termination goes into effect. The bill would also prohibit during the same type of state of emergency, any changes in all conditions for the sale of assets imposed by the Attorney General, except if the owner of an ICF or SNF files for bankruptcy. By expanding the requirements and prohibitions imposed on a licensee of ICF or SNF, the failure to comply with would be a crime, this bill would impose a state-mandated local program. The bill would repeal these provisions on January 1, 2026. This bill contains other related provisions and other existing laws.</p>	<p>1/28/21 Referred to Com. on HEALTH.</p> <p>1/22/21 From printer. AB 457	Santiago	<p>Telehealth Patient Bill of Rights</p> <p>Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under existing law, Medi-Cal services may be provided pursuant to contracts with various types of managed care health plans, including through a county organized health system. Under existing law, in-person contact between a health care provider and a patient is not required under the Medi-Cal program for services appropriately provided through telehealth.</p> <p>Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and</p>	<p>2/18/21 Referred to Com on Health</p> <p>2/9/21 From printer. 		<p>regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a contract issued, amended, or renewed on or after January 1, 2021, between a health care service plan or health insurer and a health care provider to require the plan or insurer to reimburse the provider for the diagnosis, consultation, or treatment of an enrollee, subscriber, insured, or policyholder appropriately delivered through telehealth services on the same basis and to the same extent as the same service through in-person diagnosis, consultation, or treatment.</p> <p>This bill would create the TeleHealth Patient Bill of Rights, which would, among other things, protect the rights of a patient using telehealth to be seen by a health care provider with a physical presence within a reasonable geographic distance from the patient's home, unless specified exceptions apply. The bill would require a health plan, as defined, to comply with the requirements in the Telehealth Patient Bill of Rights and to provide written notice to patients of all their rights under the Telehealth Bill of Rights. The bill would also exempt a health care service plan or a health insurer from the existing telehealth payment parity provisions for any interaction where the health care provider is not located within a reasonable geographic distance of the patient's home, unless that provider holds specialized knowledge not available in the patient's region. Because a willful violation of the bill's requirements relative to health care service plans would be a crime, the bill would impose a state-mandated local program.</p> <p>The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.</p> <p>This bill would provide that no reimbursement is required by this act for a specified reason.</p>

AB 695	Arambula	<p>Elder and Dependent Adults</p> <p>Existing law authorizes, in certain circumstances, an elder or dependent adult to be taken into temporary emergency protective custody.</p> <p>For the purposes of the above-described provisions, existing law defines an elder as a person who is 65 years of age or older and a dependent adult as an adult between 18 and 64 years of age who has specific limitations.</p> <p>This bill would instead define an elder as a person who is 60 years of age or older and a dependent adult as a person who is between 18 and 59 years of age and has those specific limitations. The bill would also specifically identify that a person in that age range with traumatic brain injuries or cognitive impairments is a dependent adult. By requiring counties to provide services under the above described provisions for additional individuals, and by expanding the scope of a crime under the Elder Abuse and Dependent Adult Civil Protection Act, this bill would impose a state-mandated local program.</p> <p>(2) Existing law establishes the Home Safe Program, which requires the State Department of Social Services to award grants to counties, tribes, or groups of counties or tribes, that provide services to elder and dependent adults who experience abuse, neglect, and exploitation and otherwise meet the eligibility criteria for adult protective services, for the purpose of providing prescribed housing-related supports to eligible individuals.</p> <p>This bill would expand the list of housing-related supports and services to include services to support housing transitions.</p> <p>Existing law requires counties that receive grants under the Home Safe Program to provide matching funds.</p> <p>This bill would provide that, on and after the effective date of the bill, grantees are not required to match any funding provided that is above the base level of funding provided in the Budget</p>	<p>3/10/21 In committee: Set first hearing. 		<p>Act of 2020.</p> <p>(3) The Elder Abuse and Dependent Adult Civil Protection Act requires, as part of the procedures described in paragraph (1), each county to establish an adult protective services program that includes specific policies and procedures, including provisions for emergency shelter or in-home protection.</p> <p>This bill would also require the policies and procedures to include provisions for homeless prevention and longer term housing assistance and support through the Home Safe Program. The bill would authorize a county that receives grant funds under the Home Safe Program to, as part of providing case management services to elder or dependent adults who require adult protective services, provide housing assistance to those who are homeless or at risk of becoming homeless. If an elder or dependent adult comes to the attention of adult protective services because they are homeless, and an investigation indicates that they are homeless because they have a serious mental illness or substance use disorder, the bill would require the county to refer the adult to the appropriate state or local agency to receive services and supports. By imposing additional duties on counties in the administration of their adult protective services programs, this bill would impose a state-mandated local program. The bill would require the department to convene a workgroup to develop recommendations to create or establish a statewide adult protective services case management or data warehouse system. The bill would require the department to submit the recommendations to the Legislature by November 1, 2022.</p> <p>The bill would establish the Adult Protective Services FAST/Forensic Center Grant Program, to be administered by the department, for the purpose of awarding grants to counties to create, enhance, and maintain a FAST or forensic center. The bill would define, for these purposes, a FAST as a team that handles cases involving financial abuse and a forensic center as a cross-disciplinary group of professionals who collectively review, make recommendations, and provide assistance on the most complex cases of elder and dependent adult abuse and neglect.</p> <p>(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.</p> <p>This bill would provide that no reimbursement is required by this act for specified reasons</p>

Existing law requires the task force to report and make its recommendations to the Legislature on or before September 1, 2002.</p> <p>This bill would require the department to establish a similar task force to assess the implementation of the recommendations made pursuant to the above-mentioned provisions, make additional recommendations by exploring the same matters explored by the initial task force, and to report the assessment and make its recommendations to the Legislature on or before September 1, 2023.</p>	<p>3/2/21 Set for hearing on 4/6/21 9am</p> <p>2/25/21 Referred to Com on Aging & LTC</p> <p>2/17/21 From printer. The bill would authorize an adult residential facility or residential care facility to receive up to 60 hours of IHSS a week and would require an adult residential facility or residential care facility that receives benefits pursuant to those provisions to use the savings derived from IHSS towards certain expenses, including, among others, facility upkeep or upgrades. By imposing additional administrative duties on local officials administering the IHSS program and by expanding the scope of an existing crime, the bill would impose a state-mandated local program.</p> <p>The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.</p> <p>This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.</p> <p>With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.</p>	<p>suspended.</p> <p>2/22/21 Art.
