Approval of the Agenda: Members approved the OAC meeting agenda for May 16, 2022, with the addition of discussion in regards to future OAC meeting dates.

Approval of the Minutes: Members approved the March 21, 2022 meeting minutes.

Chair and Vice-Chair nomination statement
Ramona Davies as chair and Sandy Mori as vice-chair served for one additional year.

DFCNA Final Draft and OAC Comment
Ms. Davies brought up a few points with the commissioners not included in the DFCNA draft or final. First is identifying the emergence at a state level of memory changes in Alzheimer's. Second, the initiation process should start earlier to collect input from a broader range of participants.

Service Providers Working Group
Ms. Hinze confirmed that RDA approved the final Dignity Fund Comprehensive Need Assessment on May 6, 2022. They did incorporate all of the committee's recommendations, and commissioners had no further input. They are finally back in the commission room. Ms. Zhang added complimented Ramona on her outstanding presentation to the commission.

Case Management Report

Please see attached materials for the Presentation of CM Report Recommendations and OCP Strategies.

Case Management Assessment Guiding Question
• The case management landscape in San Francisco
• Where/how does the DAS case management system fit in
• Gaps/barriers exist

Research and Data Collection activities
• Key informant interviews-DAS, DHP, HSH
• Survey-DAS, DHP, HSH case managers, program administrators, service recipients
• Challenge of shelter-in-place-focus groups eliminated and direct interviews with case managers and program administrators

Recommendations & Strategies implemented
• Bolster data collection, monitoring, and sharing

Recommendations Strategies Implemented & planned
• Currently: Mental Health Association of San Francisco
• In late April, DAS launched new skills and resources training series sessions, including:
  ▪ Challenging Clients and Difficult Situations
  ▪ Depression and suicidal Ideation
  ▪ Advanced techniques for complex situations
  ▪ Substance use
  ▪ Personality Disorders
  ▪ Mental health/social isolation
• Case Manager training series on DPH Behavioral Services in FY 22/23

Potential Strategies & Projected Impact
• Exploring wage increase in Case Management programs
• Including increase to lowest compensated
• Additional case manager added to the system

Public Comment
Esther remarked that DAS taking the initiative in providing support and training in gathering SOGI data was beneficial to her and her staff. She recommends re-educating and conducting an annual review with providers on their specific needs would improve SOGI data collection. She is facing a challenge of shortage of staff. The city offers better wages that are hard to compete with. They're having a hard time keeping people on board.

Announcements
-Please support us in pushing the Mayor, Board of Supervisors, and housing workers with the housing stability fund to finance replacing and installing new elevators for seniors and people with disability.
-We are working with the community alliances, disability advocates, and some city staff on continuing hybrid meetings for seniors and disabilities. A survey is being sent out to gather people’s stories to show how important it is for remote participation options for meetings.
-On Friday, May 20, from 1 pm to 4 pm, The Mayor’s Disability Council is hosting a virtual meeting present about disability community priorities

Next meeting: Monday, 07/18/2022, 3:00 p.m. to 5:00 p.m.
