Executive Director’s Report/Deputy Director Cindy Kauffman

Deputy Director Cindy Kauffman explained that Executive Director Shireen McSpadden was attending the National Association of Area Agencies on Aging (N4A) Board meeting in Washington DC this week and will give a report on the N4A Board meeting during the January 2018 DAAS Commission meeting. Ms. Kauffman reported that she and other members of DAAS staff attended the California Association of Area Agencies on Aging (C4A) annual meeting and Allied Conference in November. Ms. Kauffman stated that this year’s C4A conference had one of the highest turn-outs ever. During the Director’s meeting part of the conference topics were discussed such as: AB959 the State roll-out of the Sexual Orientation and Gender Identity (SOGI) question. The state turned to San Francisco and Los Angeles for best practices as how to handle the state SOGI roll-out, Assembly member Ash Kalra Chair of the Assembly of Aging and Long Term Committee held a hearing as part of the C4A conference itself. The hearing was one of three hearings across the state and focused on
potential of federal changes and implications of California’s Aging and Long Term Care programs and services. The other two policy programs were very well attended and informative and included policy folks from N4A and Justice and Aging. They also had CVOs, providers as well as consumers that served on the panels. On the local level, the Mayor will release his budget today which will set in motion DAAS’ budget process. Last week the Mayor introduced to the San Francisco Board of Supervisors (BOS) a budget supplemental of $9.6M in which $8.8M will go towards In-Home Support Services (IHSS). San Francisco assumed an increase of $11M in the budget that was approved in July but that has now increased to $19.9M. Ms. Kauffman discussed the implementation of the Dignity Fund Needs Assessment and stated that Community Forums were held in each of the eleven San Francisco districts. DAAS will also hold thirty focus groups to help represent the diversity of San Francisco. Finally, surveys were launched last month and Friday, December 8, 2017 is the deadline to complete these surveys. Ms. Kauffman announced that the Dignity Fund Needs Assessment consultants have received over five hundred surveys from consumers and two hundred from providers. On November 8, 2018 in recognition of Veteran’s Day DAAS co-sponsored a press conference to publicize the great work that the award winning Veteran’s Benefit Protection Project (VBPP) has been and will continue to carrying out. The VBPP is a coalition of key stakeholders that are collaborating to fight pension poaching scams. DAAS’s Executive Director McSpadden, San Francisco Supervisor Katy Tang, along with representatives from the Institute on Aging (IOA), and the San Francisco Veteran’s Affairs Commission and the California State Insurance Commissioner Dave Jones all spoke at this highly publicized press conference. Lastly, Executive Director McSpadden together with the Metta Fund will host an event on Reframing Aging and Ageism by the Frameworks Academy. The Frameworks Academy is part of the Frameworks Institute that design, conduct events and publish multi-method disciplinary communications research to find the most effective way of reframing social and scientific topics. A few years ago, the Frameworks Institute partnered with eight national aging associations to create a better understanding of older adults needs and contributions to society and then to use communication and outreach to drive a more informed conversation about aging and its’ implications for our community. Ms. Kauffman stated that the workshops are inspiring and changing the way we have conversations around aging. Executive Director McSpadden will send out save-the-date invitations for these workshops that are scheduled for Tuesday, January 23, 2018.

Commissioner Seriñà thanked Ms. Kauffman and specifically the Dignity Fund Oversight Committee under Ms. McGee’s leadership for doing a great job of assessing the needs of the community regarding the Dignity Fund Needs Assessment.

EMPLOYEE RECOGNITION:
Deputy Director Cindy Kauffman and the DAAS Commission recognized Sandy Tran a Social Worker Supervisor from the Department of Aging and Adult Services’ (DAAS) office of In Home Support Services (IHSS). Ms. Kauffman thanked Ms. Tran for her hard work and dedication.

ADVISORY COUNCIL’S JOINT LEGISLATIVE COMMITTEE REPORT/Diane Lawrence

Ms. Lawrence stated that the (CSL) has already started to meet and that she, Ms. Kauffman and Ms. Valerie Coleman are discussing how they will kick off the New Year at the January 2018 Joint Legislative meeting. All three know that some of the bills are two-year bills and so they are hoping to see some of the bills come back. Ms. Lawrence will give her normal report in February 2018.
