Executive Director’s Report/Executive Director Shireen McSpadden

Executive Director Shireen McSpadden reported on her trip to Washington DC for the National Association of Area Agencies on Aging (N4A) Board meeting and policy briefing. Ms. McSpadden reminded the Commission that she is an alternate on the board for the California Association of Area Agencies on Aging (C4A). Senior services did really well as far as funding for this budget year. The increases for Older American’s Act funded programs were unprecedented and surprising given what the administration was saying about cutting services. However, these programs are all under attack for the next fiscal year. Ms. McSpadden stated that we must be vigilant and continue to advocate for these programs during the upcoming year. Ms. McSpadden mentioned another exciting aspect of the Washington DC trip is the California Aging Contingent meetings with our representatives (or their aids). This year the contingent had 1
productive meetings with Senator Diane Feinstein’s Office, House Leader Nancy Pelosi’s Office and Senator Kamala Harris’s Office. Ms. McSpadden next spoke about Senior Rally Day which takes place on Tuesday, May 8, 2018 at the Sacramento State Capitol. Ms. McSpadden stated the importance of showing up in numbers to Sacramento so DAAS provided funding to Senior & Disability Action to obtain a bus that will bring older adults and adults with disabilities to-and-from Sacramento. If people are interested in attending please contact Senior & Disability Action as soon as possible so that they can know how many people to plan for. At the local level, Supervisor Norman Yee called for a hearing next week on employment for older adults and adults with disabilities. Supervisor Yee asked a number of departments as well as some of our community based organizations to present at this hearing, specifically: the Community Living Campaign, DAAS, the Department of Economic and Workforce Development, the Human Resources Department and the Mayor’s Office of Disability. Each will present on the needs of older adults and adults with disabilities with respect to employment and what they are doing to support San Francisco residents in the workforce. Lastly, DAAS was asked to attend a Budget and Finance Committee meeting on Thursday, May 3, 2018 to present on the needs of seniors in San Francisco.
