DIRECTOR’S REPORT:
Executive Director Shireen McSpadden reported on her recent trip to San Diego as she and ten other staff members (mostly managers and one non-profit provider) attended the National Area Agencies on Aging (N4A) conference. DAAS received two innovations awards and one achievement award during the N4A conference. Ms. McSpadden stated that DAAS is considered to be at the forefront of innovation and achievement in the Aging and Disability services. The awards that DAAS received are a tribute to DAAS staff and to our community partners. Ms. McSpadden also mentioned that DAAS won a national award for their SF Connected program. In addition to these awards, DAAS, the Alzheimer’s Association and the ARC partnered together and submitted a proposal to the Administration of Community Living to do some work around Alzheimer’s and dementia. DAAS and its partners have three main goals for this grant. The first goal is to reach out to people
living in isolation the second goal is to implement best evidence based programs. The Alzheimer’s Association has a program called ‘Savvy Caregiver’ that is evidence based and they will be reaching out to more people with that. The third goal is to reach out to people with intellectual and developmental disabilities. There are different elements that the disabled population experience living with Alzheimer’s and Dementia. DAAS should expect to hear in a month or so if we will receive this grant. The Board of Supervisors (BOS) passed the Dignity Fund as a ballot measure and will be on the ballot in November. The next step in the Dignity Fund process is for the Mayor, the BOS, and the Dignity Fund Coalition, along with anyone else who wants to endorse this ballot measure collectively work together to get more supporters and to educate voters about the importance of the Dignity Fund.

EMPLOYEE RECOGNITION:
Executive Director Shireen McSpadden and the DAAS Commission recognized Yuk (Linda) Pang from the In-Home Support Services Office for her vast database knowledge and her remarkable leadership ability.

The LTCCC have six standing working groups and two ad-hoc groups. All together the group had a total of seven or eight take-a-ways that the LTCCC will be working on moving forward.
