

**Do you have an income tax dispute with the IRS?**

**Did the IRS hold your tax refund?**

**Do you owe the IRS money?**

You may be eligible for **FREE** assistance from the UC Hastings-Low Income Taxpayer Clinic.

The UC Hastings Low-Income Taxpayer Clinic (LITC) provides free assistance to qualifying individuals with issues with the Internal Revenue Service (IRS). Our students, under the direct supervision of the Clinic Director, help resolve tax issues with the IRS, including:

- Unpaid taxes
- Tax-related identify theft
- Innocent spouse relief
- IRS liens and levies
- Economic Impact Payments
- Audits and examinations of your tax return
- Appeals
- Tax Court cases
- Earned Income Tax Credit denials
- Wage Verification

The LITC does not prepare current year tax returns. We do not help with California state tax (Franchise Tax Board) issues, unless you also have a related IRS issue. The LITC is independent of the IRS, but receives some of their funding from the federal government through the LITC grant program. Each LITC determines whether prospective clients meet the income guidelines and other qualifying criteria before agreeing to representation.
