

SAN FRANCISCO IHSS PROVIDERS CAN NOW GET TESTED FOR COVID-19*

***Testing available for all workers who work outside their home in San Francisco.**

What you need to know:

- **Any worker who must leave their home and interact with the public can now be tested. You do not need to be experiencing symptoms of the virus.**
- **All tests are by appointment only. You must book an appointment online here: <https://sf.gov/citytestsf>**
- **If you are an IHSS Independent Provider, select “yes” when asked if you are an essential worker.**
- **Enter “Public Authority” as your employer when scheduling. The Public Authority’s address is “832 Folsom Street”.**
- **Two drive-thru sites are available for appointments.**
- **Results are returned in 1-3 days.**
- **No car? No internet? Just call 311 if you need assistance.**
