JobsNOW! is Helping San Franciscans Get Back to Work

In 2021, San Francisco Human Services Agency (SFHSA) expanded the JobsNOW! program to help more people get back to work by providing access to hundreds of employers and job opportunities. JobsNOW! will match you with the right position—or give you a program voucher that allows you to find your own. With this voucher, your new employer can be reimbursed for your wages when they hire you.

SFHSA will help you stand out from other applicants by paying your employer for up to 100% of your wages if they hire you—whether JobsNOW! helps you find a job or you find one on your own with the voucher.
