The Department of Benefits and Family Support (BFS) requests authorization to enter into a grant with Huckleberry Youth Programs for the period of beginning July 1, 2023 and ending on June 30, 2028, in an amount of \$2,831,160 plus a 10% contingency for a total amount not to

exceed \$3,114,276. The purpose of the grant is to provide crisis intervention, advocacy and case management services to commercially

sexually exploited children and young adults.

P.O. Box 7988 San Francisco, CA 94120-7988 www.SFHSA.org

Background

Through SB 855, the California Welfare and Institutions Code (WIC), section 300, clarified that commercially sexually exploited children (CSEC) whose parents or guardians failed or were unable to protect them may fall within the jurisdiction of section 300, and be adjudged as dependents of the juvenile court. In 2014, the Legislature also amended the WIC (commencing with section 16524.6) to establish a state-funded county CSEC Program to be administered by the California Department of Social Services (CDSS) that counties may opt to participate in. San Francisco has opted in and recognizes that CSEC is a form of child abuse.

With community partners and other City agencies, FCS created an interagency protocol to serve CSEC in 2015. At the heart of the protocol was a call for early intervention and advocacy services when CSEC/YA victims are identified. With funding identified by the Mayor's office to pilot this project, the Department issued an RFP to provide these services. A pilot program was launched with Huckleberry Youth Programs in November 2015. The services went to 24/7 availability on March 1, 2016. Huckleberry has been awarded the past 3 Request for Approvals and has consistently provided the services since the pilot.

Services to be Provided

Grantee staff will continue to provide a coordinated response, with Family and Children's Services (FCS) and other community partners, to CSEC, referred either by the hotline or by case carrying workers. They will provide trauma-informed, strength-based, relationship-driven crisis intervention and case management services, designed to stabilize and engage youth with services.

The Grantee will also provide education, training and support to all adults working with CSEC, including caregivers, foster family agencies, detention centers, schools, etc.

For more specific information regarding services to be provided, please refer to the attached Appendix A.

P.O. Box 7988 San Francisco, CA 94120-7988 www.SFHSA.org

Selection

Grantee was selected through Request for Proposals 1034, which was competitively bid in February 2023.

Funding

This grant is supported by a mixture of funds: local general fund from the Department of Children Youth & Families (DCYF), Federal Funds and the State CSEC allocation.
