P.O. Box 7988 San Francisco, CA 94120-7988 www.SFHSA.org

Background

In light of the events that have occurred and threats against the Asian-American Pacific Islander community and older adult and adults with disabilities in general, there is a need for escort services to seniors and people with disabilities to provide protection. Funding was identified to provide these services through Self-Help for the Elderly.

Services to be Provided

Self-Help for the Elderly will provide escort services to older adults and adults with disabilities for activities to ensure safety on the streets in San Francisco. Activities include, but are not limited to, doctor/dental appointments, bank visits, vaccination sites, pop up testing sites, social activities such as senior centers, grocery shopping, etc. The escort services will be either on a one-to-one basis or in groups. Program staff will connect with seniors who have escort service needs. Once the referral is received, staff will confirm date, time, meeting place, types of activities with seniors, and will provide the requested escort service. Staff will meet client and accompany them to their activity. In case of an emergency, program staff who provide escort services will accompany individuals to support and protect them and report all emergencies.

Modification

Additional funding for this grant has been provided by the Mayor's office beginning with the current fiscal year and ongoing through the term of the contract. The additional funding through this modification will increase the number of escort services to be provided; from 5,000 to 5,750 for the current fiscal year (FY23-24) and 6,000 per year for the remaining three years of the contract. It will also support salary increases for the Program Coordinator, Volunteer Coordinator, Senior Escort Driver, and Senior Escort. A portion of the funding will be used to pay for rental, insurance, staff travel and transportation costs, communication, and expenses related to recruitment of escorts.

Selection

Grantee was selected through Request for Proposals #1072, which was competitively bid on March 15, 2023.

Funding

Funding for this grant is provided through County General Funds.
