The Department of Disability and Aging Services (DAS) requests authorization to modify the existing grant with Project Open Hand for the period of July 1, 2024, through June 30, 2025, in the additional amount of \$101,938 plus a 10% contingency for a revised total amount not to exceed \$859,699. The purpose of this modification is to provide Project Open Hand (POH) with additional funding to conduct initial and annual in-home assessments for home delivered nutrition services for adults with disabilities.

Background

DAS is a state-designated Area Agency on Aging (AAA) under the federal Older Americans Act (OAA). As an Area Agency on Aging, DAS coordinates and supports a broad array of nutrition services in the City and County of San Francisco for older adults and adults with disabilities through partnerships with community-based organizations. Home-delivered nutrition services (HDM) is one of the services.

Through HDM nutrition services, DAS grantees deliver meals meeting nutritional standards to eligible individuals living in the City and County of San Francisco. Grantees also provide nutrition education, offer nutrition counseling, and screen for nutrition risk and food insecurity. HDM nutrition services include initial and annual comprehensive in-home assessments by grantees to confirm eligibility and determine consumers' needs, with quarterly reassessments in between.

Since the onset of this grant cycle in FY21/22, Institute on Aging was contracted to provide initial and annual assessment services for adults with disabilities enrolled in POH's home delivered nutrition services program. Effective 7/1/2024 (i.e., FY 24/25), Institute on Aging will no longer provide the service and Project Open Hand will assume the required responsibility of assessing the consumers enrolled in their home delivered nutrition services for adults with disabilities program.

Services to be Provided

This modification will allow Project Open Hand to hire the necessary staff to schedule, coordinate, and complete in-home assessment services. Additionally, it will allow the agency to furnish the supplies and materials needed, cover transportation costs to and from the in-home visits, and support indirect costs.

For more specific information regarding the breakdown of services, defined objectives, and target population, please refer to the attached Appendix A.

Selection

Grantee was selected to provide HDM services for adults with disabilities through Request for Proposals #940, which was competitively bid in March 2021.

Funding

Funding for this grant is provided through a combination of Federal and County General Funds.
