The Department of Disability and Aging Services (DAS) requests authorization to renew the grant with Southwest Community Corporation for the period July 1, 2024 to June 30, 2025 in an amount of \$167,375, plus a 10% contingency for a total amount not to exceed \$437,960. The purpose of the grant is to provide culturally responsive food support for San Francisco residents who are food insecure and need nutrition support living in targeted service areas.

### **Background**

In March of 2023, the Citywide Food Access Team (CFAT) within the Human Services Agency of the City and County of San Francisco (SF-HSA) released a Request for Proposals (RFP #1074) to provide culturally relevant and linguistically accessible food support for residents living in five targeted service areas. The service areas identified in the RFP are food-insecure neighborhoods and geographic zip code locations where community members have limited access to culturally relevant food support within their own neighborhoods. Many of the community members living in the targeted service areas need to travel outside their neighborhoods to gain access to culturally relevant food support. The Lakeshore, Excelsior and Ingleside neighborhoods within the targeted zip code area of 94112 and 94132 are two of the five service areas identified by SF-HSA in the RFP 1074.

Southwest Community Corporation was awarded a grant through RFP 1074 to provide culturally relevant food support in the Excelsior and Ingleside neighborhoods within the targeted zip code area of 94112 in fiscal year 2023-2024. SF-HSA/CFAT is renewing Southwest Community Corporation's grant for fiscal year 2024-2025 and expanded the service area to include the Lakeshore neighborhood within in the targeted zip code area of 94132.

Because Southwest Community Corporation is an existing DAS OCP nutrition partner whose primary target populations are older adults and adults with disabilities, DAS OCP will continue to oversee the grant and work collaboratively with SF-HSA/CFAT.

### **Services to be Provided**

Under this renewal, Southwest Community Corporation will provide a culturally responsive supplemental grocery program in the targeted zip code area of 94112 and 94132 for residents living in the City and County of San Francisco who are food insecure. The program will offer consumers fresh and healthy foods from one or more of the USDA defined food groups on a set rotating weekly schedule. The USDA food groups include fruits and vegetables, grains, protein, and dairy/soy. Each of the USDA food groups will be provided to consumers at minimum once per month.

**Selection**

Grantee was selected through Request for Proposals #1074 which was competitively bid in March 2023.

**Funding**

Funding for this grant is provided through County General Funds.
