

Have you been impacted by a fire?

Help is available.

If you have been displaced due to fire damage to your home, the City of San Francisco has resources that can help you get back on your feet. Here is a list of resources for San Francisco residents who have been displaced by a fire.

Get Immediate Assistance and Household Support

The American Red Cross provides immediate assistance for food, clothing, or housing, such as overnight shelter and temporary hoteling for you and your family. If you or someone you know has recently experienced a disaster, contact the American Red Cross at **866-272-2237**.

Apply for the Temporary Assistance for Displaced Persons Program

The San Francisco Human Services Agency's (SFHSA) Temporary Assistance for Displaced Persons Program offers a temporary housing subsidy program for eligible households who experience long-term displacement due to a fire. For eligible San Francisco residents, the Temporary Assistance for Displaced Persons program may provide:

- Tenants of non-rent-controlled units with a one-time payment to cover move-in cost to a new unit. The program makes the payment directly to the landlord of the new unit.
- Tenants of rent-controlled units with a monthly rent subsidy. The subsidy pays the difference between the rent at the tenant's permanent residence and a comparable unit leased at the current market rate. The subsidy can last for up to two years, or until the permanent address is ready to re-occupy if sooner.

To qualify for the Temporary Assistance for Displaced Persons Program, you must have:

- Been displaced by a fire in San Francisco within the past three months
- A source of income that does not exceed 100% of the Area Median Income (AMI)
- Liquid assets that do not exceed \$30,000 per person or \$60,000 per household (excluding IRS recognized retirement and college saving accounts)

SFHSA can help residents determine if they are eligible for financial assistance through the Temporary Assistance for Displaced Persons Program. To apply or to

To get more information, contact the Department of Building Inspection (DBI) at **(628) 652-3450** or DBI.inspectionsservices@sfgov.org. Contact Your Landlord Within 30 Days

You have the right to return with the same terms of your rental agreement that existed prior to your leaving. You have 30 days to notify the landlord of your acceptance or rejection of the offer. If you accept the offer, you have 30 days, post incident, to notify the landlord of your intent to return. After repairs and a landlord offers to reoccupy your previous unit, you have 30 days to accept or reject the offer to re-occupy. It is advisable to put all notices in writing.
