Commission Streamlining Taskforce Update / Timeline – Cindy Kauffman

The Taskforce staff received feedback from OAC and DAS Advisory Council as well as SPWG. The Taskforce staff proposes a new combined body of 22 members -11 appointed by the Board of Supervisors, 3 by the Mayor, 6 from the Commission representing SPWG, and 2 additional Commission representatives. Cindy will share the website link with the committee.

Public Comment: None.

Service Providers Workers Group (SPWG):

SPWG reported that they met with Taskforce staff earlier and advocated for service provider representation in the new structure. SPWG also raised concerns about the Taskforce's proposal to revise the Administrative Code because it is too broad and could weaken representation.
