Trent Rhorer Executive Director The Department of Disability and Aging Services (DAS) requests authorization to modify the existing grant agreement with Meals on Wheels of San Francisco for the period of March 1, 2022 through August 31, 2022, in the additional amount of \$750,000 plus a 10% contingency for a revised total amount not to exceed \$6,031,311. The purpose of these modifications are to maintain feeding services to San Francisco households with at least one member in isolation or quarantine due to COVID-19.

Background

The COVID-19 Food Coordination Group within the Emergency Operations Center established the Isolation and Quarantine Free Food Delivery Helpline ("I/Q Helpline") in Spring 2020. The purpose of the I/Q Helpline is to provide meals and/or groceries to food insecure San Francisco households so those households can maintain an isolation or quarantine period. The I/Q Helpline delivers free meals and/or groceries for the duration or the isolation or quarantine

P.O. Box 7988 San Francisco, CA 94120-7988 www.SFHSA.org period to households with at least one member who tests positive for COVID-19, is awaiting COVID-19 test results/under investigation for COVID-19, or who is exposed to a known COVID-19 case. The service provided has served over 29,000 people during the course of its operations, helping thousands of San Franciscans safely isolate and quarantine at home to reduce the spread of COVID-19.

Services to be Provided

Grantee provides an I/Q Helpline for food insecure San Francisco residents who require food assistance to help them remain in isolation or quarantine to slow the spread of COVID-19. Grantee receives referrals and provides case management services through the I/Q Helpline six days a week, excluding major holidays. To ensure the I/Q Helpline can meet the needs of all San Franciscans, Grantee sends referrals to City Supplier, Market on Market, for emergency same-day and weekend meals and to serve dietary or cultural needs that Grantee cannot fulfill. Grantee also sends weekly reports to the Food Coordination Group so that the isolation and quarantine data can be analyzed.

Modification

This modification is needed to avoid a gap in client service and to maintain the City's commitment to the most vulnerable individuals during the pandemic. Through this amendment, services shall continue until August 31, 2022, reaching a projected 700 additional San Francisco households in isolation or quarantine, but more importantly allowing Grantee to be prepared should another COVID-19 surge occur.

Selection

Meals on Wheels of San Francisco was selected through Request for Proposal (RFP) #940 issued in March 2021 to provide food services for populations outlined by Department of Disability and Aging Services (DAS).

In addition to these services, Meals on Wheels was selected to operate the IQ Helpline through Request for Qualifications (RFQ) # 885 in May 2020. This grant will end May 17th, 2022 and has no further authorization to extend. To avoid the discontinuance of the I/Q Helpline food support services, we seek authorization to temporarily add onto the existing DAS grant the work of the IQ Helpline to avoid immediate service disruptions.

Funding

Funding for Meals on Wheels of San Francisco grant is provided through a combination of Federal Funds, and City and County General Funds, including Dignity Fund.
