

VSD-020 – Election to Receive CalVet College Fee Waiver Benefits

Plan A in lieu of Chapter 35 benefits

CalVet College Fee Waiver for Veteran Dependents

ACADEMIC YEAR 2025-2026

I understand that state law, specifically the Military and Veterans Code, Section 896.1, prohibits me from receiving State of California Department of Veterans Affairs (CalVet) college fee waiver benefits under Plan A if I am in receipt of United States Department of Veterans Affairs (USDVA) Dependents Education (Chapter 35) benefits.

I understand that if I apply for and receive USDVA Chapter 35 benefits, after being awarded CalVet college fee waiver benefits under Plan A for the same period, my CalVet college fee waiver benefits will be revoked retroactively, my college will be notified of actions taken, and that I shall be held financially responsible for any associated fees waived.

Understanding the above, I elect to receive CalVet college fee waiver benefits under Plan A, and certify under penalties of perjury, that I am not currently nor will I apply and receive USDVA Chapter 35 benefits for AY 2025-2026

Note: Under Plan A, the dependent must be unmarried, per Title 38, Code of Federal Regulation, Section 3.57(a).
