

Manage Your Benefits Online with BenefitsCal.com

BenefitsCal is the fast, easy way for San Franciscans to manage their benefits, such as CalFresh, Medi-Cal, CAAP and CalWORKs.

With BenefitsCal, you can create an account and link your case to get secure, convenient access anytime.

Why Create a BenefitsCal Account?

- **More control.** Access your benefits anytime, 24 hours a day, 7 days a week, from your phone or computer.
- **Easy access to services.** Apply for benefits, renew your benefits, upload documents, and report changes in minutes.
- **Save time.** Avoid office visits and phone wait times.
- **Real-time updates.** Get alerts about actions needed, renewal deadlines, and case status.
- **Mobile-friendly.** Use your camera to upload documents instantly.

Privacy and Security

Your information is protected with encryption to keep it secure. Only you can access your account with your username and password.

Key Features Available After Linking Your Case

- View benefit amounts and case status
- See required actions and deadlines
- View letters and notices online
- Report changes and submit renewals
- Upload documents

Follow the steps to create your account and link your case at
